PAMP travel agency has existed for two years. Our activity area is Polish - Danish market .

Names: Karen and Peter Larsen

Ages: 61 and 63

Abode: Fyn

They have a daughter Pia and a son in law Jesper.

They met in their childhood. When they were 20 years old they got married.

And they also have grandchildren Anne and Lars.

They both graduated from University of Copenhagen...

... and for 35 years they worked as psychologists in a reputable hospital. Now they are retired.

Karen has been living with her husband in Fyn. They both try to spend a lot of time with their grandchildren.

Anne and Lars are very fond of spending time with grandparents because they are able to offer them interesting things.

Karen and Peter are really helpful to other people and they are volunteers

Karen also has been writing a book about her life and experience.

Karen and Peter often spend time outdoors. They enjoy walking and they are interested in wellness, health and culture.

They care about health and sometimes they go for short cycling trips.

They go to opera, theatre and cultural events very often. Holidays are an opportunity for them to experience the culture of other countries and cities.

During holiday time Karen and Peter can keep fit. Despite their age they are willing to experience a lot of new things and discover new places and cultures.
